This Association is the largest, oldest and most successful Mutual Insurance
Association in California and the majority of its members are in and near San
Francisco where it is best known. It now confines its Agencies to the Pacific
Coast. The wisdom of this act is shown by the strenuous efforts made by the
Eastern companies for California business, recognizing as they do, the necessity
of equalizing the extra death rate elsewhere caused by climatic conditions. "An
insurance company that reaches too far is liable to disasters common to the
merchant who spreads his business over all Creation."

CONSUMPTION,

which is Scrofulous Disease of the Lungs,
is promptly and certainly arrested by this
God-given remedy, if taken before the
stages of the disease are reached. It is a
powerful power over this terrible fatal disease,
first offering this new celebrated remedy to the
public. Dr. Pierce thought seriously of calling it
his "Consumption Cure," but abandoned
that name as too limited for a medicine which,
from its wonderful combination of tonics, or
strengthening, alterative, or blood-cleansing,
antibiotic, peccatorial, and nutritive properties,
is equalled, not only as a remedy for consumption
of the lungs, but for all
